

Geography

- Can you find out how many countries there are in Europe?
- Can you name them?
- Have you visited any countries in Europe?

1. Take a look at the UK, Europe and World map presentation (PowerPoint saved in resource list).

- Where do we live in Europe?
- Can you name the 4 countries in the United Kingdom?

2. Complete the 'Where in the World do I live' booklet (saved in resource list)

3. Follow the link to watch the Go Jetters visit other European countries including, Italy, France and Finland. Take a look at some of their significant landmarks.

Maths/ Languages: Learn how to count to 10 in a language belonging to a European country e.g. German, French, Spanish, Welsh. You may know a family member who could teach you?

The Continent of Europe

Reception, Year One and Year Two

Here are some suggested activities for your project on Europe

Design Technology Watch CBeebies 'My World Kitchen' and see Eddie cook an Italian olive pizza.

<https://www.bbc.co.uk/iplayer/episode/b09r7vgl/my-world-kitchen-series-1-1-eddies-italian-olive-pizza>

- Can you cook your own pizzas? You could use wraps or pitta breads as the base.
- Can you find popular recipes from other countries and make a European menu?

You could bake some Welsh cakes or make some French toast for breakfast.

Challenge: Can you try some food from a different European country each day of the week?

Computing/ English With adult support, search the internet for pictures of natural wonders and significant landmarks found in Europe. Using the pictures you have found make a travel brochure. Can you write a blurb to go with the picture and persuade people to visit the country and its famous landmark? Watch this clip to give you some ideas.
